

Summer Start Scholarship: Terms and Conditions

About the Summer Start Scholarship

BloomTech's mission is to provide a direct, low-risk path to higher income. The goal of our Summer Start Scholarship is to make a BloomTech education more broadly accessible by providing eligible learners with a one-time tuition credit scholarship in the amount of \$5,000. Scholarship funds come in the form of a tuition credit against BloomTech's tuition, bringing the cost of tuition from \$21,950 to \$16,950. This is not a cash payment made from BloomTech to an eligible learner.

The Summer Start Scholarship cannot be combined with any other BloomTech scholarships, grants (e.g. Tuition Assistance Grant), discounts, or promotional offers.
